

## VOIP DISPATCH CONSOLE COMMUNICATIONS

## THE TOTAL UTILITY DISPATCH SOLUTION

**DISPATCH / GENERATION / DISTRIBUTION / SERVICE**

— The Mindshare System is completely distributed VoIP P25 Technology with proven dependability and efficiency.

— We say **YES** to **No** size limitations, **No** backroom Central Electronics, **No** need for Position PC's.

— Standard features include remote set-up, maintenance & diagnostics, ease of operation through fully customizable graphics layout / design and user-friendly operator screens.

— Multiple additional feature-rich items including full SIP-based PBX Telephony compatibility complete the Total System Solution.
